

# Reimagine your grossing workflow with the Sentinel

## Every Stakeholder Benefits from the Sentinel

### Technicians:

- Accelerated workflows with reduced manual steps
- Eliminates repetitive documentation tasks
- Fewer documentation errors
- Improved focus on specimen quality

### Pathologist Assistants:

- Reduced rework from documentation issues
- Enhanced specimen data accuracy
- More time for critical clinical assesment

### Lab Operations and Financial Leads:

- Measurable reduction in labor costs
- Optimized TAT for all specimens
- Improved resource allocation and planning
- Recognize where errors occur

### Pathologists:

- Greater diagnostic confidence with complete data
- Improved specimen traceability
- Enhanced collaboration across lab team
- Faster access to critical specimen information

### Voices from the lab:

“I have found everyone in the [Vistapath] team to be engaging, supportive and quick to respond. Common goals and actions have been set, and everyone has worked together to achieve the desired outcomes. Working with Vistapath has been like a breath of fresh air and I hope to continue the relationship well into the future.” - Steve Blunden, FIBMS DMS Digital Pathology Lead, Peninsula Pathology Histopathology Transformation Lead, University Hospitals Plymouth NHS Trust
